

HIGH FIVE

2024 ELECTIVE BOOK

NAME: _____

WELCOME TO THE BEST 5 DAYS OF SUMMER!

DEAR PARENTS,

It's a joy not only to share our 2024 High Five electives with you, but also to let you know about some really exciting changes we are making to the High Five elective registration process.

This year, we are offering up to 16 elective choices per day—more than we have ever been able to offer! Praise the Lord! Increasing our daily elective options is born out of our commitment to allow more hands-on opportunities for each kid. This gives as many kids as possible the opportunity to attend High Five. We are maximizing every square inch of our property and feel confident that even on an inclement weather day, your kids will not only have fun, but they will also be safe.

NEW 2024 ELECTIVE RANKING PROCESS

Please know that I have felt and heard your frustrations from the past years of High Five elective registrations. In an effort to remove all barriers from elective registration, (limitations of the software, having to start over on forms as electives fill up, the frenzy of deciding which child to register first, etc.) we are approaching High Five 2024 elective registration in a completely different way. Instead of selecting their top two choices for electives each day, this year, your child will have the opportunity to **RANK** their most favorite to least favorite electives for each day of High Five. On the elective ranking form, I will also ask you to indicate how you would best describe your child: artsy, sporty, science loving, etc.

This means that elective registration is no longer first-come, first-served, and you do **NOT** need to rush to fill the form out right at 12PM on April 17. You will have until 12PM on April 22. The ranking process **DOES NOT** sign your child up for their electives, nor guarantee that they will get all of their top rankings. I will be compiling all of the data from the elective ranking preferences and will do my best to give kids as many of their top choices as possible in the most fair way possible. Please know that while we are making every effort to improve this process, the reality is that not every child can have 100% of their top choices due to the limited spots per elective.

With that in mind, I'm asking for your help coaching your child through this process. Please help set the tone and manage expectations when your child doesn't get all of their top rankings. Please remain positive and remind your child that...

- There were many top options that they did get.
- They may discover something they had no idea they would enjoy.
- One elective session is only one hour of an absolutely amazing week.

This is a great teaching opportunity for our kids. Thank you for your help with this!

At the back of this elective book, you and your child can write down their rankings of the electives from most favorite to least for each day. Not only is this a fun thing to do together, but it can also help your child understand that they may not always get their top elective rankings. Writing these down will assist you as you submit your child's preferred electives when elective ranking is open from April 17–22.

Elective assignments will be shared by early May. If you have any questions or need help in ranking your child's electives, please do not hesitate to reach out to me.

I'm looking forward to the **BEST 5 DAYS OF SUMMER!**

Melia Leichty
Director of Radiant Kids

Elective ranking will be open from 12PM on April 17 through 12PM on April 22.

WELCOME!

Brace yourself for the BEST 5 DAYS OF SUMMER! High Five will be a fun-filled, fast-paced, action-packed and unforgettable experience with high-energy worship, dynamic teaching, fun competitions, crazy games and all sorts of unique electives. Use this book to answer your High Five questions and also learn about and rank your favorite electives!

HIGHLIGHTS FOR HIGH FIVE 2024

● NEW ELECTIVE RANKING PROCESS

If you have already registered to attend High Five, the next step is elective ranking. In an effort to remove all barriers from the past years of elective registration, we are approaching High Five 2024 elective registration in a completely different way. Instead of selecting their top two choices for electives each day, this year, your child will have the opportunity to **RANK** their most favorite to least favorite electives for each day of High Five. The ranking process **DOES NOT** sign your child up for their electives, nor guarantee that they will get all of their top rankings. All of the data from the elective ranking preferences will be compiled and we will do our best to give kids as many of their top choices as possible in the most fair way possible. For those who are registered to attend High Five, elective ranking will be open from **12PM on April 17 through 12PM on April 22**.

● NEW LARGE GROUP TEACHING BREAKOUTS BY GRADE

During the large group teaching time, we will break out by grade levels in an effort to customize the teaching material in an age-appropriate way. Each grade will have the same teacher each day and all grades will be covering the same topics. This will simply be an opportunity to make the lesson more hands-on and age-appropriate for each grade.

● LUNCH AND SNACK

Kids will eat lunch between elective sessions. Please be sure to pack a lunch Monday–Thursday. We will have a **Pizza Party** on Friday! After the last elective session, kids will eat a quick snack before the final wrap-up session.

ELECTIVE RANKING HELPFUL TIPS

- Only one child can be registered at a time for electives.
- Please pay close attention to the [age requirements](#) for each elective. Grade restrictions are based on your child's **CURRENT** grade level.
- **TWO-DAY ELECTIVES**
The Cheerleading elective meets on both Monday and Tuesday. The Worship elective meets on both Tuesday and Thursday during the second elective session and is available for kids in grades 3–5.
- **ELECTIVES OFFERED ON MULTIPLE DAYS**
In an effort to provide opportunities for more kids to enjoy some of our most popular electives, we are offering several of these electives on multiple days. Even though there are electives offered on multiple days, please remember that your child will only be able to participate in an elective one time.
 - Nerf Wars (Tuesday or Wednesday)
 - Bubbles (K–2 only) (Monday or Thursday)
 - Archery (Thursday and Friday)
 - Shaving Cream Art (Tuesday or Wednesday)
 - Campfire Fun (Wednesday or Thursday)

Melia Leichty will be available by email (melialeichty@radiantbiblechurch.org) during the elective ranking window (12PM on April 17 through 12PM on April 22) during regular office hours (9AM–5PM) if you need assistance with the elective ranking process.

PARENT COMMUNICATION

As High Five approaches, we will send email reminders and last minute adjustments. During the week of High Five, you will receive communication through the daily *Parent Email Blast*. To equip all of our parents and families, the *Parent Email Blast* will guide you in discussing with your kid(s) more about the day and what they learned. We want to partner with you in the discipleship of your children.

Please contact Melia Leichty with any High Five questions or concerns at melialeichty@radiantbiblechurch.org.

ELECTIVES

While High Five has the elements of dynamic worship and teaching that you'd see in most VBS programs, what makes it unique is being a part of two fun, hands-on electives each day. These electives are age-appropriate and experience-oriented. The purpose of these electives is for each child to be introduced to something new, but not necessarily to master in one hour. Electives are led by individuals from within our faith family.

You will have the opportunity to rank your child's most favorite to least favorite elective options for each day of High Five. The ranking process **DOES NOT** sign your child up for their electives, nor guarantee that they will get all of their top rankings. Each elective has a maximum capacity and some are limited to specific ages. All electives are subject to change depending on unforeseen circumstances, such as weather or changes by our elective leaders.

You will be able to submit your child's elective rankings from 12PM on April 17 through 12PM on April 22.

LARGE GROUP GATHERING

Each morning, we will gather in the Worship Center for high-energy worship, dynamic teaching and interactive games. In an effort to customize the teaching material in an age-appropriate way, we will break out by grade levels. Each grade level will have the same teacher each day and all grades will be covering the same topics to make the lesson more hands-on.

SNACKS

Each day, we will provide a snack after the second elective session. Water will be available for your child to refill their water bottles. All provided snacks will be gluten free or have a gluten free option available. If your child has additional food allergies or dietary restrictions, please provide an alternative snack marked with your child's name at check-in each morning. Here is the list of snacks that will be provided:

MONDAY – Chicago-Style Popcorn (caramel & cheddar mix)

TUESDAY – Applesauce Packets

WEDNESDAY – Fruit Roll-Ups

THURSDAY – Frozen Gogurt

FRIDAY – Granola Bars

As a reminder, please pack a lunch Monday–Thursday. On Friday, we will provide a [PIZZA PARTY](#) for everyone to wrap up the BEST 5 days of summer!

CHILD PICK-UP

When you arrive on Monday morning, you will be given a [child pick-up sign](#). When it's time to pick up your child at the end of each day, please enter through the main doors and you will be directed where to pick up your child. Before you leave, please take home anything your child made during an elective. These items will be set on tables in the Lobby. Also, be sure to check the [Lost and Found](#) table located in the Lobby for any missing items. Please exit through the same doors that you entered.

RAIN

High Five is scheduled rain or shine! In the event that it does rain, most electives will continue to operate outside unless there is severe weather. We will move and/or alter electives as needed. Please dress accordingly and be ready for possible rain.

MY ELECTIVE SELECTIONS

Use this section to rank the daily electives in order from most favorite to least favorite. During elective ranking, you will rank each daily elective session in this way on the form. This **DOES NOT** mean that your child will always get their top elective ranking, but we will do our best to make sure that your child gets as many of their top rankings as possible. **For the electives that are grade-specific and will not apply to your child, please rank them last.**

Reminder: Elective ranking will be open from 12PM on April 17 through 12PM on April 22.
