

HIGH FIVE

2025 ELECTIVE BOOK

NAME: _____

WELCOME TO THE BEST 5 DAYS OF SUMMER!

DEAR PARENTS,

I'm so excited to share our 2025 High Five electives with you! We have a great variety of electives to choose from with some beloved electives returning as well as many brand new opportunities. We will be maximizing every square inch of our property and feel confident that even on an inclement weather day, your kids will not only have fun, but also they will be safe.

ELECTIVE RANKING PROCESS CONTINUES!

There were so many "wins" with the High Five elective ranking process last year and we have no plans to go back to the frenzied chaos of past years. We loved hearing positive feedback from parents that the ranking process removed much stress. Internally, not only were we able to give as many kids their top choices as possible, but also we experienced intangible benefits that hadn't been anticipated. This year again, your child will have the opportunity to **RANK** their most favorite to least favorite electives for each day of High Five.

This means that elective registration is NOT first-come, first-served, and you do **NOT** need to rush to fill out the form right at 12PM on April 10. You will have until 12PM on April 15. I will be compiling all of the data from the elective ranking preferences and will do my best to give kids as many of their top choices as possible in the most fair way possible. *The ranking process DOES NOT sign up your child for their electives, nor guarantee that they will get all of their top rankings.*

As your child ranks their electives, they can indicate whether they would prefer us to prioritize their top-ranked choices OR if they would like us to prioritize being with a friend or family member. If being with a friend is their priority, please list the name of the friend they'd like to be with AND rank your electives in the exact same order as that person. Again, this is not a guarantee, but it will increase the likelihood of them being together.

Please rank **ALL** of the electives from most favorite to least favorite. If you only rank two options per day and those options are already full, we will do our best to guess which elective your child would have chosen as their next preference.

At the back of this elective book, you and your child can write down their rankings of the electives from most to least favorite for each day. Writing these down will assist you as you submit your child's preferred electives when elective ranking is open from April 10–15.

Elective assignments will be shared with you by early May. If you have any questions or need help in ranking your child's electives, please do not hesitate to reach out to me.

I'm looking forward to the **BEST 5 DAYS OF SUMMER!**

Melia Leichty
Director of Radiant Kids

Elective ranking will be open from 12PM on April 10 through 12PM on April 15.

WELCOME!

Brace yourself for the BEST 5 DAYS OF SUMMER! High Five is a fun-filled, fast-paced, action-packed and unforgettable experience with high-energy worship, dynamic teaching, fun competitions, crazy games and all sorts of unique electives. Use this book to answer your High Five questions and also learn about and rank your favorite electives!

HIGHLIGHTS FOR HIGH FIVE 2025

● ELECTIVE RANKING PROCESS

If you have already registered to attend High Five, the next step is elective ranking. Elective Ranking had so many intangible benefits that we are committed to continuing what we have found to be the most fair process for kids to be assigned their electives. We loved hearing feedback from many parents in how the elective rankings removed stress. Your child will have the opportunity to **RANK** their most favorite to least favorite electives for each day of High Five. The ranking process **DOES NOT** sign up your child for their electives, nor guarantee that they will get all of their top rankings. All of the data from the elective ranking preferences will be compiled and we will do our best to give kids as many of their top choices as possible in the most fair way possible. For those who are registered to attend High Five, elective ranking will be open from **12PM on April 10 through 12PM on April 15**.

● LARGE GROUP TEACHING BREAKOUTS BY GRADE

After the large group teaching time, we will break out by grade levels to discuss the daily topic in a focused breakout setting. Each grade will have the same group leader each day. This is an opportunity to make the lesson more hands-on and age-appropriate for each grade.

LUNCH AND SNACK

- Kids will eat lunch between elective sessions. Please be sure to pack a lunch Monday–Thursday. We will have a **Pizza Party** on Friday! After the last elective session each day, kids will eat a quick snack before the final wrap-up session.

ELECTIVE RANKING HELPFUL TIPS

- Please indicate whether your child would prefer for us to prioritize that they get as many top ranked choices as possible OR if they would like us to prioritize being with a certain friend or family member. If you prioritize being with a friend, please be sure to rank your electives in the exact same order as each other.
- If you are ranking electives for multiple children, be sure to fill out one form per child.
- Please pay close attention to the **age requirements** for each elective. Grade restrictions are based on your child's **CURRENT** grade level. If an elective is not available for your child's grade, please rank it the lowest.
- **TWO-DAY ELECTIVE**
The Worship elective meets on both Tuesday and Thursday during the second elective session and is available for kids in grades 3–5.
- **ELECTIVES OFFERED ON MULTIPLE DAYS**
In an effort to provide opportunities for more kids to enjoy some of our most popular electives, we are offering several of these electives on multiple days. Even though there are electives offered on multiple days, please remember that your child will only be able to participate in an elective one time.
 - High Five News Team (Tuesday, Wednesday or Thursday)
 - Archery (Tuesday, Wednesday or Thursday)
 - Taekwondo (Tuesday or Thursday)
 - Farm to Table: Salsa (Wednesday or Friday)

Melia Leichty will be available by email (melialeichty@radiantbiblechurch.org) during the elective ranking window or during regular office hours (9AM–5PM) if you need assistance with the elective ranking process.

PARENT COMMUNICATION

As High Five approaches, we will send email reminders and last minute adjustments. During the week of High Five, you will receive communication through the daily *Parent Email Blast*. To equip all of our parents and families, the *Parent Email Blast* will guide you in discussing with your kid(s) more about the day and what they learned. We want to partner with you in the discipleship of your children. Please contact Melia Leichty with any High Five questions or concerns at melialeichty@radiantbiblechurch.org.

ELECTIVES

While High Five has the elements of dynamic worship and teaching that you'd see in most VBS programs, what makes it unique is being a part of two fun, hands-on electives each day. These electives are age-appropriate and experience-oriented. The purpose of these electives is for each child to be introduced to something new, but not necessarily to master in one hour. Electives are led by individuals from within our faith family.

You will have the opportunity to rank your child's most favorite to least favorite elective options for each day of High Five. The ranking process **DOES NOT** sign up your child for their electives, nor guarantee that they will get all of their top rankings. Each elective has a maximum capacity and some are limited to specific ages. All electives are subject to change depending on unforeseen circumstances, such as weather or changes by our elective leaders.

You will be able to submit your child's elective rankings from 12PM on April 10 through 12PM on April 15.

LARGE GROUP GATHERING

Each morning, we will gather in the Worship Center for high-energy worship, dynamic teaching and interactive games. To customize the teaching material in an age-appropriate way, we will break out by grade levels. Each grade level will have the same teacher each day and all grades will be covering the same topics to make the lesson more hands-on.

SNACKS

Each day, we will provide a snack after the second elective session. Water will be available for your child to refill their water bottles. All provided snacks will be gluten free or have a gluten-free option available. If your child has additional food allergies or dietary restrictions, please provide an alternative snack marked with your child's name at check-in each morning. Here is the list of snacks that will be provided:

MONDAY – Chicago-Style Popcorn (caramel & cheddar mix)

TUESDAY – Applesauce Packets

WEDNESDAY – Veggie Straws

THURSDAY – Frozen Gogurt

FRIDAY – Fruit Roll-Ups

As a reminder, please pack a lunch Monday–Thursday. On Friday, we will provide a [PIZZA PARTY](#) for everyone to wrap up the BEST 5 days of summer!

CHILD PICK-UP

When you arrive on Monday morning, you will be given a [child pick-up sign](#). When it's time to pick up your child at the end of each day, please enter through the main doors and you will be directed where to pick up your child. Before you leave, please take home anything your child made during an elective. These items will be set on tables in the Lobby. Also, be sure to check the [Lost and Found](#) table located in the Lobby for any missing items. Please exit through the same doors that you entered.

RAIN

High Five is scheduled rain or shine! In the event that it does rain, most electives will continue to operate outside unless there is severe weather. We will move and/or alter electives as needed. Please dress accordingly and be ready for possible rain.

MY ELECTIVE RANKINGS

Use this section to rank the daily electives in order from your most favorite to least favorite. During elective ranking, you will rank each daily elective session in this way on the form. This **DOES NOT** mean that your child will always get their top elective ranking, but we will do our best to make sure that your child gets as many of their top rankings as possible. **For the electives that are grade-specific and will not apply to your child, please rank them last.**

Reminder: Elective ranking will be open from 12PM on April 10 through 12PM on April 15.
